

# The economic, social and cultural impact of independent historic houses

Historic Houses members  
welcomed an estimated  
**21.2 million**  
visits in 2022, of which just  
over half were made locally

Employed  
**330**  
apprentices to help train  
up a new generation

Helped support  
**32,450**  
jobs across the UK

**70%**  
of staff employed directly  
live locally

Generated over  
**£1.3 billion**  
in expenditure for the UK economy

## Between them, in 2022, Historic Houses member properties hosted

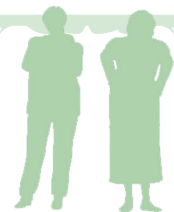

**7,700**  
volunteers  
contributing over  
54,000 days of  
volunteering

Over  
**26,000**  
cultural events, including festivals,  
theatre, art exhibitions and recitals

**141,000**  
students of all ages

## Keeping historic places alive and accessible for generations to come

The value of the repairs  
and maintenance  
backlog across all our  
member properties  
is estimated to  
be just under

**£2 billion**

This is despite an estimated  
**£156.2 million**  
spent on regular repairs and  
maintenance across all Historic  
Houses places every year  
— an average of  
**£99,000**  
per property
